About the program: Our instructors will teach small classes of both children and adults for periods of 20 minutes, with skaters being taught simple, easy to learn moves from the US Figure Skating basic skills program, which is now recognized as one of the finest programs available anywhere and the very best way to have fun, learning to skate in the safest possible way. This is a course of 6 lessons and we skate each Sunday from

3:00 PM - 5:00 PM

Registration Fee \$110 payable in full at the time of registration. The fee includes; admission to the rink, instruction from our staff of professional skaters, all course material, third party liability insurance and membership to US Figure Skating. All applications must be received no later than the deadline date.

Rental Skates are available from the rink for a nominal fee, however your own skates will make your skating experience far more enjoyable. In any event skates should fit snugly and be laced firmly right to the top which will provide the necessary support for you to really enjoy your skating experience.

What to wear: A pair of gloves, slacks (no long skirts please) warm layered clothing, (no long coats please) and protective head gear is strongly recommended.

A final note: Classes, will of course be rescheduled if the rink is closed for any reason, however there will be no refunds and no making up of any lessons that are missed by a student.
